

Remaldi[®]

Your Handy Cut-Out Reading Chart

Please print this Reading Chart on A4 paper. Do not view on a screen.

When printed, check this line  measures 2.5cm.

Remaldi[®]

Reading Chart

This is an approximate test

+1.25

Can you see this line with total clarity?

+1.50

Is the text sharp and clear?

+2.00

Does the print appear perfectly in focus?

+2.50

Does this text look sharp and clear?

+3.00

Can you see this line with total clarity?

+3.50

Does the print appear perfectly in focus?

Step 1: Remove any glasses and stand or hold the chart 35cm (14 inches) away.

Step 2: From the top, find the first line you can read clearly. This is your recommended strength.

Step 3: Try on your new Remaldi[®] glasses and ensure the smallest print is now comfortable to read.
